

# Welcome to Winterbourne Stoke.

We would like this opportunity to welcome you to Winterbourne Stoke. A lovely little village on the River Till at the southern edge of Salisbury Plain, 5 miles away from Amesbury and 3 miles west from the prehistoric monument of Stonehenge.

The Village Parish Council, made up of volunteers from within the community, has a website full of useful information, contact numbers, council updates and meeting notes. This can be found at: <https://winterbournestokepc.org.uk/>

**Parish Council Clerk** - Jim Carr

The Village has a:

**Childrens playpark** – in between Meadow View and St Peters Close.

**A pub** - The Bell Inn on the High Street, see their website for opening times and menus.

**A local church** - St Peters, tucked away at the southern end of Church Street.

**Bookswap** - situated in the Old Phone Box on the High Street (A303). Here you can swap, books CDs and DVDs.

**Facebook page** - "Winterbourne Stoke Notifications Group" which is a hive of information and a way of keeping villagers in contact with each other and up to date with any events or news. If you "friend" any villager already in the group on Facebook, they can invite you and the page admins will approve.

**Parish Newsletter** - is published monthly and is distributed to each house. It covers Winterbourne Stoke and the surrounding villages. Here you are able to find out church service times and what's on within the village and church.

**The Wine Circle** - A fairly informal bunch of wine lovers, nothing too pretentious. Normally meet in each others homes once every month or two and doing things by Zoom in this time of COVID-19 – Contact Roger at the Old School House, Church Street.

**The Book Club** - meets monthly to discuss the latest read, normally with cake and refreshments. Contact Sarah Holtby at the Staddles, Church Street.

We have some beautiful walks in and around the village, a footpath map is overleaf
