

# Welcome to Winterbourne Stoke.

We would like this opportunity to welcome you to Winterbourne Stoke. A lovely little village on the River Till at the southern edge of Salisbury Plain, 5 miles away from Amesbury and 3 miles west from the prehistoric monument of Stonehenge.

The village Parish Council, made up of volunteers from within the community, has a website full of useful information, contact numbers, council updates and meeting notes. This can be found at: <https://winterbournestokepc.org.uk/>

The Village has a:

**Children's Play Park** - between Meadow View and St Peters Close.

**Pub** - The Bell Inn on the High Street, see their website for opening times and menus.

**Local Church** - St Peters, tucked away at the southern end of Church Street.

**Bookswap** - situated in the old telephone box on the High Street (A303). Here you can swap books, CDs and DVDs.

**WhatsApp** - There's also a village WhatsApp group for keeping you up to date with news and events. If you'd like to be added to this send your contact details to either Teresa on 07801478474 or Tracy on 07956514137 .

**Village Community Pantry** - a small stock of essential groceries, provided and restocked by the Village Preservation Society, held in the Church for use by all.

**Parishes Magazine** - is published monthly and is distributed to each house. It covers Winterbourne Stoke and some of the surrounding parishes. If you would like to add anything to the magazine, send your entry by email to [Tracy1502@gmail.com](mailto:Tracy1502@gmail.com) before the 14th of every month.

We have some beautiful walks in and around the village, see footpath map attached.
